**CERTIFICATE OF NO OBJECTION REGARDING THE LITIGATION  
ADMINISTRATOR’S SIXTH OMNIBUS OBJECTION TO CERTAIN  
INACCURATELY SUPPORTED CLAIMS**

Pursuant to 28 U.S.C. § 1746 and Rule 9013-3 of the Local Rules of the United States Bankruptcy Court for the Southern District of New York, the undersigned counsel to Mohsin Y. Meghji (the “Litigation Administrator”) hereby certifies as follows:

1. On October 4, 2024, the Litigation Administrator filed the *Litigation Administrator’s Sixth Omnibus Objection to Certain Inaccurately Supported Claims* [Docket No. 7730] (the “Omnibus Objection”).<sup>2</sup> A proposed form of order (the “Proposed Order”) granting the relief requested in the Omnibus Objection was attached to the Omnibus Objection as Exhibit A.

2. Pursuant to the Omnibus Objection, the *Order (I) Approving (A) Omnibus Claims Objection Procedures, (B) Omnibus Substantive Claims Objections and Form of Notice, and (C) Satisfaction Procedures and Form of Notice and (II) Modifying Bankruptcy Rule 3007(e)(6)* [Docket No. 2090], and the notice of the Omnibus Objection, responses to the Omnibus Objection were to be filed and served no later than November 6, 2024 at 4:00 p.m. prevailing Eastern Time (the “Response Deadline”).

3. Local Bankruptcy Rule 9013-3 provides that a motion may be granted without a hearing if (a) no objections or other responsive pleadings have been filed on or before the applicable objection deadline and (b) counsel for the entity that filed the motion files a statement certifying that counsel has reviewed the docket not less than forty-eight hours after the objection deadline and no objection, responsive pleading, or request for hearing with respect to such motion

---

<sup>2</sup> Capitalized terms used but not defined herein have the meanings ascribed to them in the Omnibus Objection.

appears thereon.

4. The Omnibus Objection was served on October 4, 2024, as indicated in the Affidavit of Service filed with the Bankruptcy Court on October 8, 2024. *See* Dkt. No. 7740.

5. As of the date hereof, which is more than 48 hours after the Response Deadline, and to the best of the undersigned counsel's knowledge, only one formal objection was filed with the Bankruptcy Court. This formal objection pertained to proof of claim number 17179. However, the Litigation Administrator, through its counsel, agreed with the objecting claimant to continue the objection as to proof of claim number 17179 to a later date, and removed proof of claim number 17179 from Exhibit A to the Revised Order (as defined herein). As a result, no outstanding formal objections or responses to the Omnibus Objection have been filed with the Bankruptcy Court or served upon the Litigation Administrator, and no outstanding objections or responses thereto appear on the Court's docket in the above-captioned Chapter 11 Cases.

6. For the avoidance of doubt, prior to the Response Deadline, counsel to the Litigation Administrator also received informal responses from ten claimants in connection with the Omnibus Objection. In response, counsel to the Litigation Administrator conferred with each claimant; however, none of the claimants submitted sufficient documentation to support an amount other than what is listed in the Debtors' schedules of assets and liabilities ("Schedules") or books and records ("Books and Records"). As a result, counsel to the Litigation Administrator advised those claimants that because they had failed to provide sufficient documentation to support an amount other than what is listed in the Debtors' Schedules and Books and Records, the objection to their claims would remain and that in accordance with the Notice of Objection, if they wished to oppose the Omnibus Objection, they must file a written response with the Court in accordance with the procedures described in the Notice of Objection before the Response Deadline. None of

those claimants filed a formal objection or requested a hearing in the Chapter 11 Cases.

7. The Litigation Administrator has prepared a revised form of the Proposed Order (the “Revised Order”), a copy of which is attached hereto as **Exhibit A**. The Revised Order removes: (1) proof of claim number 6095, as the Claimant did not receive proper notice; and (2) proof of claim number 17179, as the Litigation Administrator and the objecting claimant agreed to continue the objection to proof of claim number 17179 to a later date. For the convenience of the Court and all parties in interest, a redline of the Revised Order against the Proposed Order is attached hereto as **Exhibit B**. The Litigation Administrator reserves the right to further amend the Revised Order as appropriate.

8. Accordingly, the Litigation Administrator respectfully requests that this Court enter the Revised Order attached hereto as **Exhibit A**.
